

# Consent to Initiate Care

At our office, we have one simple goal. We want to render the highest quality Chiropractic care at the lowest possible fee. In order to accomplish this goal, we have altered some business procedures in this clinic to keep our fees reduced. Please read over these procedures below to understand how our clinic functions, and to decide if you wish to participate. If you have any questions, please direct them to the Chiropractic Assistant.

1. Patients may choose to be cared for by any available staff doctor present on any given visit.
2. **Patients** may have a copy of their records and the original x-rays at any time they request.
3. No balances can be kept or run by patients at any time.
4. All adjustment visits are paid at the time of service.
5. All examinations and x-rays are paid upon completion of these services.
6. Our clinic reserves the right to deny services to anyone for any reason, or if the doctor feels that the patient's health is not being best served.

To initiate care at our facility, there are **two required visits** you will be scheduled for. If you cannot attend either of these two visits, the negative impact on your care will be profound, and we cannot in good conscience initiate your care. These required visits are:

1. **Initial Interview and Examination**: This visit will consist of a health history, chiropractic examination and x-rays if needed; *this is probably the visit you are present for now*. Total time is about 30-45 minutes.
2. **Report of Findings**: This visit will consist of a detailed report of findings with recommendations for your care. Also included is information on chiropractic health and wellness. Recommendations on what to do between visits and a detailed explanation of your care plan. X-rays will also be reviewed at this time. We recommend that spouses and adult family members attend this visit with the patient. Due to the time required, there are only certain times this visit is given. Check with our Chiropractic Assistants or the doctor for available times. Total visit time is about 45-60 minutes.

I wish to initiate care at **Vibrant Health Chiropractic**. I have read and understand the Consent to Initiate Care and agree to all terms. I understand that I am under no obligation to receive or continue care.
